SNOW EMERGENCY

The City Manager has declared a snow emergency and snow removal operations along some of the major streets in Rock Island are being hampered by vehicles parked in violation of the snow route ordinance (Section 9-41 of the Rock Island Code of Ordinances). This ordinance states that in the event of a storm depositing two (2) inches or more of snow, parking is not allowed on marked snow routes until the snow has been removed.

Effective immediately, vehicles parked in violation of this ordinance will receive at \$25.00 parking ticket. Vehicles that remain in violation of this ordinance on Tuesday, January 6, 2004, will be impounded.
