Storm Water Control Ordinance Informational Meetings

The City of Rock Island has recently implemented an ordinance with regard to Stormwater management and controlling the runoff at construction sites. The complete text for the Rock Island [Stormwater Ordinance](#) can be obtained from the City's website or by contacting the Public Works Department at 732-2200.

Note that this ordinance is based upon the Draft Illinois Quad Cities Unified Stormwater Ordinance, and that EPA Phase II requirements are not just being enforced in Rock Island or Illinois, but across the entire United States.

City staff has been presenting informational meetings to provide an overview of the program. The next meeting will be held in the Council Chambers at City Hall on August 18, at 6:00 P.M.

For more information, please contact Bob Horton with the [Public Works](#) Department at 732-2200.
