## Leaf burning in Rock Island

The City of Rock Island allows **leaf burning only on Mondays, Wednesdays, Thursdays, and Saturdays** from dawn until dusk, per city ordinance.

Leaves are the only items that may be burned. Yard waste such as tree limbs, grass, and twigs may not be burned. Prior to burning, please **call 309-732-BURN (2876)** to learn if leaf burning is allowed that day. Certain weather conditions can halt leaf burning days.
