22nd Annual MLK Memorial Service

The [Martin Luther King Center](#) will celebrate the birth of Dr. Martin Luther King, Jr. on **January 17th, 2005**. The 22nd Annual Memorial Service will be from 10:30 a.m. to 12:00 p.m. and will allow those who attend to recognize living examples of Dr. King's philosophy throughout the community.

The service will include an awards presentation to Rock Island adults and youth who have demonstrated the values of excellence essential in the "King Dream." Musical selections and a guest speaker will punctuate the event.

This year's theme of "Let Freedom Ring" is true to Dr. King's belief in the necessity of an unbound human spirit from oppression. It is hoped that all attending this service will be rejuvenated and inspired by the values that Dr. King advocated so emphatically.

To learn more about the celebration, please call 732-2999.
