## Commercial Beautification Awards Presented for 2004

On March 14, 2005 the [Rock Island Beautification Commission](#) presented the Commercial Beautification Awards. The Awards recognize Rock Island business owners who have put forth extraordinary efforts to maintain or create attractive commercial properties. The awards were announced by Commission Member Linda Wilson and presented by [Mayor Schwiebert](#) during a [City Council](#) meeting.

The Beautification Commission was pleased and impressed by the outstanding renovations and new construction activity that occurred in Rock Island during 2004. There were 26 nominees and the quality of the projects made the selection process extremely difficult for the Commission. The top four recipients received a traveling plaque or trophy to recognize their achievements.
