View ePark Online Registration July 18!

Signing up for activities offered by Rock Island Parks and Recreation is about to come a bit easier! ePark will be available for **view only** on **July 18**. Take a peek, browse around, and see how easy it has become to register for many fun activities from yoga to wine-tasting!

You may begin registering over ePark on **August 1st** at 9:00 a.m. Please note, not all activities may be available for on-line registration due to various course fees and restrictions. However, all activities can still be viewed.

Accessing ePark is easy! Beginning July 18 just visit www.rigov.org and then click on the "[Online Services](#)" button, which will be featured on the blue menu bar to the left of the screen. Select ePark from the list to view the new online registration system.

Getting Started with ePark

You can get started with ePark several ways. Register to use ePark at one of our facilities, online, or by calling 309-732-PARK (7275). You will need to provide your current name, address, and e-mail address. You will receive a barcode number and PIN (personal identification number). This is the information needed to register online. The Barcode and PIN will also be printed on any registration receipt from the [Parks Department](#).

**KEEP THAT
RECEIPT!**

**You may access the
online service with
the information
that prints out on
your Parks and
Recreation
transaction
receipts.**
