Rock Island Residents Receive Beautification Awards

Rock Island residents were recognized for their beautifully landscaped yards, during the August 8, 2005 City Council meeting. Twenty-nine residents were presented with a "Residential Beautification Award," by [Mayor](#) Mark Schwiebert and the [Rock Island Beautification Commission](#).

This was the **31st** year of Tell On Your Neighbor event, where neighbors nominate neighbors for their remarkably neat and well-maintained yards. Members of the Rock Island Beautification Commission also nominated yards.

This award program recognizes residents who make the extra effort to beautify their yards beyond the norm. The Beautification Commission believes these citizens should be honored for their efforts which encourage others to keep beautiful yards that are an asset to Rock Island.

The Beautification Commission toured all nominated homes during a bus tour which took place on July 11th.

Mayor Schwiebert & Beautification Commission Member Bob Towler present awards to RI residents.
