Parks and Recreation Winter Brochure Available

Looking for something to do over the cold winter months? Or maybe you need something to look forward to for the warm Springtime.

Check out the [Winter-Spring Brochure](#) recently released by the Parks and Recreation Department. The Brochure contains great information about becoming a member of RIFAC, and the many activities provided by the [Department of Parks and Recreation](#) including:

- Youth Activities
- Adult Special Interest
- Preschool and School Break Programming
- Golf & Disc Golf
- Ice Rink Information
- Information on Party Reservations and Accommodations
- Park Information & Locations

You can also browse the brochure and register for classes online with [ePark!](#)
