Sunset Marina Seeks Boaters' Advisory Committee Members

February 7, 2006

Sunset Marina is seeking leaseholders that would be interested in serving on the Boaters' Advisory Committee as a dock representative. The following docks are currently not represented: 200 Dock, 500 Dock, 900 Dock.

The Sunset Marina Boaters' Advisory Committee (BAC) consists of eleven members that are appointed by the Mayor with the consent of the City Council. Nine of the members are Sunset Marina leaseholders and no more than two members may be from the same dock series. The other two members are residents of Rock Island and represent the general public. All members are appointed for three years. The BAC serves as a method of communication between the boat owners and marina management and in an advisory capacity with the City.

The Boaters' Advisory Committee meets on the third Thursday of each month. The [minutes](#) of the meetings are posted in the marina office as well as on City's [website](#). If you are interested in attending a meeting, you may check with the marina office or the website for the time and place of the next meeting.

If you are interested in applying for membership on the BAC or have questions regarding the committee, please contact the marina office at 309-732-2282.
