City Receives Award of Excellence for Financial Reporting

March 21, 2006

The Certificate of Achievement for Excellence in Financial Reporting has been awarded to the City of Rock Island by the Government Finance Officers Association of the United States and Canada (GFOA) for its comprehensive annual financial report (CAFR). The Certificate of Achievement is the highest form of recognition in the area of governmental accounting and financial reporting, and its attainment represents a significant accomplishment by a government and its management. This is the nineteenth consecutive year that the City of Rock Island has received this award.

The CAFR has been judged by an impartial panel to meet the high standards of the program including demonstrating a constructive "spirit of full disclosure" to clearly communicate its financial story and motivate potential users and user groups to read the CAFR.

Multiple years of the [CAFR](#) are published on the city's website.

The GFOA is a nonprofit professional association serving approximately 16,000 government finance professionals in Chicago, IL and Washington, D.C.
