Drop-Off Center Open for Refuse and Yard Waste

April 6, 2006

The City of Rock Island offers a Drop-Off Center for refuse and yardwaste every Saturday except holidays between 10:00 a.m. and 6:00 p.m. to its solid waste customers. The Center is located at the [Public Works Department](#) facility (1309 Mill Street). Please note the following guidelines:

1. Customers may drop-off all types of refuse except hazardous waste, tires and appliances without charge. This facility is particularly well suited for the disposal of items that are too large for placement in the refuse carts.
2. Customers may drop-off yardwaste* for the following charges:
 - ⇒ \$1.00 per yardwaste or garbage bag
 - ⇒ \$10.00 per mid-size pickup truck or equivalent
 - ⇒ \$20.00 per full-size pickup truck or equivalent
 - ⇒ Brush and leaves may be deposited without charge. Containers of mixed yardwaste will be charged as yardwaste.
2. Customers may bring yardwaste to the center in containers of their own choice. However, plastic bags may not be placed in the yardwaste deposit area. A separate disposal container is available for plastic bags.
4. Yardwaste and refuse may not be mixed in the same container.
5. Brush and leaves may not be mixed with other yardwaste.
6. Customers are required to unload their own waste materials at the Center and place them in disposal areas or containers as directed by the employee on duty.

Please contact the [Public Works Department](#) if you have any questions!
