FREE "Taking Green Home" Seminar Presented by Neighborhood Partners Knowledge Through Neighbors Task Force

Date: April 18, 2008

The Neighborhood Partners Knowledge Through Neighbors (KTN) Task Force will host its first in a series of free "Dessert and Learn" sessions on May 8th in the Rock Island Library Community Room at 401 19th Street. The first session, entitled "*Taking Green Home*" will focus on your home, yard, and car.

Bruce Wood, CEO of ePower Synergies, will do a presentation on his new electric cars. You can check out his company at www.ePowerSynergies.com. Beth Yusko, from Project NOW, will present on weatherizing your home; Melody Miller, from the City of Rock Island, will speak about the Rain Garden Program, and Tom Ayers, Rock Island's Building Official and representative from the City's Sustainable Design Advisory Team, will speak on using recyclable materials on home projects.

"*Taking Green Home*" will begin at 6:30 p.m. There will be a 15-20 minute presentation by each speaker, and then an additional ten minute Q & A period. Dessert will be served throughout the evening.

This event is **FREE**. Desserts will be served throughout the evening! Perennials will be raffled! Please spread the word!

RSVP recommended by calling 732-2900 so we know how much dessert to order!

Future "Dessert and Learn" sessions will feature topics in finances, volunteerism, and technology. Those sessions are scheduled for September

25, December 11, and March 12, respectively. So mark your calendars now and come join us for some *food for thought*.
