HY-VEE OPENS IN ROCK ISLAND

5/6/08

Hy-Vee celebrated the grand opening of their new store at 2930 18th Avenue with a ribbon cutting today. Hy-Vee built the 68,000 square foot Rock Island store behind the existing store, investing \$14.6 million. The new 24-hour store is 2 ½ times larger, has three times more grocery products, and 200 more employees than the previous store.

Features to look for at the new Hy-Vee include:

- A 4,000 square foot wine and spirits department.
- Chinese and Italian express foods and an improved salad bar.
- Fresh seafood and full-service meat department.
- Expanded bakery.
- Frozen food department tripled in size.
- New health market with natural and organic foods.
- Expanded, in-store pharmacy.
- Hy-Vee Club Room, the second in the Quad Cities area, featuring a full kitchen and space for cooking demonstrations and private parties.
