Longview Park Centennial

Longview Park is 100 years old. Celebrate the Centennial on Friday, July 18th, 2008.

Schedule of activities will include:

- 5:00 Bring your own picnic or purchase from HyVee concessions**
- 5:30-6:30 Music by the Deutsche Polka Band**
- 6:30 Unveiling of the new Lions and Birthday cake**
- 7:00 History Lives- Actors present vignettes of historic characters**

Come celebrate with us! Bring a lawn chair and start with a picnic supper while you listen to festive music. Enjoy a display of historic pictures showing the changing landscape of the park. Watch as the beautiful new lions are unveiled. For generations, children have been photographed atop the lions. Keep the tradition alive by taking your own photos of family members atop the new lions. There will also be a lion display to view made by the Rock Island Library Summer Reading Program Youth Participants. Round off the evening with a free slice of birthday cake and a glass of lemonade while you enjoy costumed actors, directed by Mick Elliott, portray historic characters. Take home a copy of the brand new (and free) illustrated history of the park.

This celebration is sponsored by the Friends of Longview Park and Rock Island Parks and Recreation.
