\_\_\_\_\_, agree that I will obtain construction bids from

(property address)

Rock Island, Illinois.

Contractor perform the work

Prior to accepting any bid, I agree to have the City of Rock Island review the plans for the improvement to be constructed. While the City of Rock Island may provide suggestions for the improvements, I understand that I should develop my own plans. I understand that I may choose, without regard to low bid, any Contractor to do the work, but that the City of Rock Island will reimburse me no more than **75%** of the lowest bid, **not to exceed \$3,000**. The City must review whichever plan is utilized for the improvement if City participation is desired.

Perform my own work

I am aware that I may perform my own work. Prior to starting construction, I agree to have the City of Rock Island review the plans/sketches along with an accurate estimate of materials for the improvement to be constructed. While the City of Rock Island may provide suggestions for the improvements, I understand that I should develop my own plans. I understand that if I perform my own work, the City of Rock Island will reimburse me no more than **75%** of the material cost only, **not to exceed \$3,000**.

I agree to allow employees of the City of Rock Island to observe this improvement during construction and to allow employees to enter my property to do so. I agree to dedicate an easement for drainage purposes over this land that the improvements are constructed. I understand that the City's participation will be forthcoming only after the City determines the completed work to be acceptable and the drainage easement has been dedicated. I agree to complete the work before the deadline: April submittal- work completed by September 1; October submittal- work completed by March 1.

I further agree that the City of Rock Island, its officers, and employees are not and will not be responsible or liable for damage, failure of the improvements or consequential damage resulting from this activity.

I also accept all maintenance and upkeep of the construction and understand that all refurbishing of the improvements will be the responsibility of me, as the property owner, and not that of the City of Rock Island.

To these covenants and agreements, the undersigned hereby bind themselves, their heirs, executors, successors and assigns, forever.
